Chief, Materials Division

List of Soviet Bloc Personalities to Attend International
Geological Congress [REDACTED]

25X6A

25X6A

1. Attached is a list of individuals, disclosed by various sources, who may represent the Soviet Bloc at the 20th International Geological Congress [REDACTED] to 11 September, 1956. The list includes representatives from the USSR, Hungary, Rumania, and Poland. The Chinese delegation is not known.

2. Also attached are several short biographical sketches. These sketches cover two individuals, Koslowski (Poland) and Vasil'kovskiy (USSR) who may have [REDACTED]. The others are added because of the apparent importance of the individuals; Samkov (USSR) and Vinogradov (USSR), for example, have been associated with the Soviet atomic energy program.
